@Gruwup

@xraymike79

I have something PROFOUND to SHARE and DISCLOSE to you.....

To begin a discussion --- an intervention. @IEPrince @SupervisorJosie @SanBernardinoPD

The choice is only ours to make. There are so many other fulfilling ways of looking at our last days on earth than just mourning what we now consider to be inevitable. The life we have now is limited, let us be done with the stigma of suicide and see it as the most likely solution for avoiding needless suffering and start to see it as the sacred act it's always been.

With that said, let us revel in the peace that Ruppert has now found and truly respect the choice that he made. He was an incredibly inspiring fucked-up human being who had profoundly touched more than his share of lives in any one lifetime. He strove to make this world a better place. Yes, he failed, but then again, so did we.

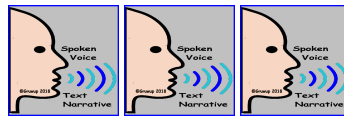

Let others hold onto the bitter end for whatever reason they feel they must, it makes no difference either way. We're all just living with different stories in our heads as we circle eternity, where some of us just gravitate towards those here, who share a common unbearable insight and take what solace can be found in the digital commiseration that remains.

We few here, the stragglers on the beach of doom have been washed up like the sand and plastic itself, these days aren't the headwaters of past generations, as with all things, they have long passed us by. We can't pretend to live as if the day matters, while living in fear of the financial destitution and death that await. Exercise the stigma of suicide so as to embrace the quietude of the resignation that comes to fill the void, and get on with truly living in the phenomenal time left us.

Attorney Prince,

I have ordered a special gift for you --- A Coffee Mug from Urbandictionary.

Accept This Gift Graciously and Accept The Defeat that you have been BESTED by an SBHS class 1883-1983 Classmate ---- The Phoenix Program.

If your ignore mode continues this INSOLENT INSULT onto my INTELLIGENCE SIR, as I stated, my intentions to remove this informational quarantine that you all have placed against me --- DANGEROUS for you TO CONTINUE ---- no matter what kind of Justification you have been TOLD --- MY LIFE PRESENCE, MY STANDING PRESENT and ACCOUNTED FOR ---- to rise up to this --- has been DRASTICALLY RUINED by ---- THESE CAUSE FACTORS --- A Personal Injury Suit -- - a challenge for you to wrap your head around --- I have been placed into a continuous dysfunctional forced direction persecution factors in an 15-year perceptual perpetual state of homelessness. I am not the only one -- I just have the balls to challenge the notion that you have any moral standing left --- to treat me so badly, so rotten in this town, my hometown, and the roots to which both of us GREW UP. I own @Gruwup.net -- Great Reasons Us Will Unite Peace ---- I DEMAND TO CONFRONT THESE MATTERS --- THE WORDS THAT ARE SPOKEN OF FROM POPE FRANCIS CALL TO OUR NATION IN FRONT OF CONGRESS IN SEPT 2015 ---- WITH EVERYONE IN THIS FUCKED UP HUMAN TOWN REMORSE OOZING FROM YOUR SOULS TO THE MINDFUL PRESENCE AND BEGGING MY MERCY AND FORGIVENESS for this RATHER WASTE of Digital Spaces that could indeed be used for better runs of need than to break a conspiracy that you all defend to your dying BREATH.

Don't bother to try to excuse your part in this away ---- FUCK YOU ALL HATERS!

1 definition by the IE prince

TOP DEFINITION

basil'd

To press the decline (or ignore) button on your cell phone thus rejecting an incoming phone call even when it's after 9, a weekend or you aint doing something THAT important.

Extra points if you're basil-ing some one who considers you a friend, your pal is in great need or you're doing it while the person is watching from a distance.

1)In da hood

guy1: yo what's hood son? did t-mack call you, he said you and him was gon' talk 'bout some bidness

guy2: yea nicca, he did call but i basil'd his ass

guy1: word?

guy2: brrrrrr

2)Somewhere in the fine county of England

guy1: Well good evening sir, fancy some tea?

guy2: yes indeed, mate, do you mind if I include Sir Taylor in our gathering?

guy1: No, but I reckon he will basil you

guy2: brrrrrr

#reject #decline #ignore #give the brush off #fuck off

by the IE prince October 08, 2005

Is that your Definition? If not, what a majestic confluence to place this end game too.

If you do not comply with my demands, I promise you upon my exit of this country, your reputation as a fair, just, and happy go lucky attorney will be dust. Let's not make this war --- let's take the truth as I best with deductive reasoning gather and STOP THE FUCKING HATING ON ME for being me, myself, and I --- STOP THE FUCKING HATERS and you begin the right direction to STOP THE MOTHER ASS TIGHT CLAW GRIP OF VIOLENCE that is at the ROOT CAUSE of #MassShootings ----

I know what the fuck I am talking about Mr. Prince. If you were to follow my work around the net, know my writing sound, and actually give a flying fuck about me somehow to #DoSomething right for a fucking change, you would rationalize I have ONE HELLA GREAT CLAIM OF PERSONAL INJURY and I CAN PROVE beyond the preponderance of the evidence the source, the motivations, and the collusion that are maintained here to keep this deep dark seeded secret. Do you have a conflict of interest that I should be aware of --- if not ---

PROCEED THE COURSE DIRECTION OF THE CONTINUED DESTRUCTION OF MY LIFE --- YOU ASSHOLE HATER COLLECTIVE ELITE PRICKS!

Perhaps you know my direct street neighbor to this house of Grande Vista, Kathy and Steve? He is a catholic attorney, he won't involve himself to honor POPE FRANCIS or the DISINTERESTEDNESS of CHRIST'S SYMPATHY --- what devil has taken your sanity to do this to me and the community members persons living with HIV to JUSTIFY YOUR SILENCE from this point --- IT IS ALL OPEN, ALL PUBLIC, ALL RAW, and MOST ALL DARK DEEDS -- or as I am not the I in this --- you will have to make that call out to your "I guy"..... and still you won't win the public nightmare that is just about to begin.....

IT IS TIME FOR SOMETHING NEW!

I am pretty lucky to live the good life. I am not rich financially, but my life is rich. The good life means something different to everyone, but we can recognize it when we see it. The animal or person living well is healthy, content and living fully.

The founding fathers of America had a vision of the good life for everyone. Free enterprise and people unbound to the shackles of government could accomplish great things. Unfortunately, much of this vision has been lost.

Each of us has our own idea of [GoodAndEvil](#). For us all to live the good life we must accept the simple fact that it is subjective and we can only support each other's views of the good life by employing a live and let live [SocialContract](#) of [CooperativeDiversity](#).

Wealth is not finite. Our wealth as a civilization depends only on the value we create. What we need first is the vision, and second is the will to create value. Finally, we need the means, which we find we have had all along. We have creative minds and the rich resources of the planet, [MarsFrontier](#), galaxy and beyond.

If we manage our shared resources profitably then there is no limit to the value we can create. If we create value, we can all share the freedom to try to live the good life as we see it and fulfill anything we want that does not infringe on the freedoms of others.

The [DeclarationOfInterdependence](#) is a collaborative attempt to redesign the government to reclaim the vision of our founders and thrive in the twenty-first century.
